Good morning, Mr. Greer.

As always, I look forward to reading your sanctions motion. Please be sure to serve it on me 21 days in advance as required by Rule 11.

We are investigating your representations that you had an “emergency” on May 6, and we intend to seek our own sanctions if it turns out that your representations to the Court in that regard were inaccurate.

Best,

Matthew D. Hardin

Sir,

Why do you continue to pursue irrelevant things?

It was indeed a business meeting I was there. Also a city meeting too. The fact that you even found out about this city meeting only proves that your client's site stalks me

I am pursuing sanctions against you for abusing this. This has no relevancy to this case.
